Completing a fence permit application

1. Fill out the application completely. If requested information is not applicable, please note N/A. Also, be sure to indicate the zoning district.
 2. Attach a drawing that shows the following (at a minimum):
 - The location of the fence in relation to the house and property lines.
 - All streets adjacent to the property.
 - All abutting fences on adjacent property.
 - The height and material of the proposed fencing.
 - Homes adjacent to the subject property must be shown, including which direction they face.
 - Vacant or other property uses that are adjacent to the property.
- ***Most regulations regarding fences can be found in Ordinance, Article V. Section 78. Copies are available through Building and Inspection Services.***
 - ***It is important to check if there are subdivision covenants and restrictions that might apply to the property and the fence locations.***
 - ***For questions regarding fences, please call 734/394-5200 between 8:30 - 9:30 a.m., and between 4:00 - 5:00 p.m.***
